

### Contracted Services:

Coastal Plains Community Center seeks to contract with service providers to deliver covered Primary Physician Healthcare Services within our service counties on RFP #2023-013. Providers selected will not be employees of CPCC. CPCC will not withhold any income tax, unemployment insurance, social security or any other withholdings or make available to the provider any benefits (sick leave, vacation).

### **Covered Primary Physician Healthcare Services**

- Clinical oversight of Primary Health Care services which include:  
Physical examinations, preventive health and treatment, laboratory test, specialty referrals, education and immunizations.
- Assists with oversight of policy and procedures for Center's primary care program
- Provides at least monthly supervision of Center's primary care nurse practitioner(s) and primary care program
- Participates in Quality Management initiatives as needed
- At a rate of \$2,500 a month

### Requirements:

Licensed by the Texas Medical Board to practice medicine in Texas, plus five (5) years of licensed medical practice.
